

NEWSLETTER ~ SUMMER 2018

Welcome to the Summer Term

We hope you enjoyed the longer Easter break and were able to spend some enjoyable family time with your children, even in the wet weather.

As usual the Summer Term is very busy so please note the attached dates.

Please use the attached RE Newsletter to support your children in their RE work and to inform yourselves of what children are doing in RE lessons.

We have just had a Religious Education monitoring visit by the Diocese which went extremely well. Details will be on our website when we receive the 'Official' feedback.

We are delighted to let you know that, from June, we will be using an exciting new app called MarvellousMe.

MarvellousMe is a light-touch app that our teachers will use to share wonderful news with you about your child's/children's learning and skills development.

The MarvellousMe Parent app is free, fun and simple to use. It will help you to:

- **Have a meaningful conversation with your child about their school day.**
- **Continue your child's learning and practise topics that they've done in class.**

Celebrate and reinforce their successes and positive behaviours.

You will be able to enjoy MarvellousMe on your smartphone, tablet or online, and can easily share it with partners, carers and family members.

In May, we will send you a letter containing all the details of how you can sign up to MarvellousMe, and your special join code.
